

# Averill Park Central School District

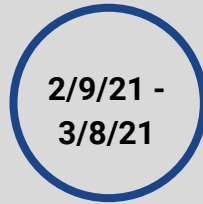

Smart Schools Investment Plan  
February 2021

*every student, every day*

# Timeline

**Public Presentation  
of Plan**

**30-day public review  
period**

**Board of Education  
approval of SSIP**

# What is the spending plan?

- District funding for technology originally was set for \$2,160,806.
  - Phase 1: Network infrastructure (cabling, wireless, network hardware)
    - Phase 1 purchases totaled \$1,085,055.
  - Phase 2: Security system and cameras
    - Phase 2 was approved for \$925,300
- There is \$150,452 remaining in our original allocation
- There was no time limit on purchases to be reimbursed by Smart Schools funds

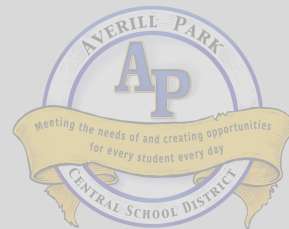

# What is the spending plan?

- Proposed Phase 3: Classroom Technology
  - Chromebooks for elementary school (583 total): \$145,750
  - Provide 1:1 in each of our classrooms in grades 2-4
  - Private school allocation: \$4,600

# Steps in the process

- Public presentation of plan (2/8/21)
- 30 day review period with plan available for question and comment
- Final plan will be posted on APCSD website
- Approval from APCSD Board of Education (3/8/21)
- Approval from NYSED to allow purchasing

# Questions and Comments
