

Master License and Service Agreement

This Master License and Service Agreement (“Agreement” or “MLSA”) is made and entered into by and between EDpuzzle, Inc. (“Vendor”), having its principal offices at 833 Market Street, San Francisco, CA 94103, and the **Board of Cooperative Educational Services for the First Supervisory District, Erie County** (“Customer”), having its principal offices at 355 Harlem Road, West Seneca, NY 14224. Vendor and Customer are sometimes referred to herein, individually, as a “Party,” and collectively, as the “Parties.”

Boards of Cooperative Educational Services (“BOCES”), including Customer, are municipal corporations organized and existing under Section 1950 of the New York Education Law, and are authorized to provide cooperative educational services to school districts in New York State pursuant to cooperative educational service agreements (“CoSers”) approved by the New York State Education Department.

Regional Information Centers (“RICs”), organized and administratively aligned under a BOCES, provide shared technology and other educational support services on a regional basis to its BOCES’ component school districts, and to other BOCES and school districts located within the RIC’s respective region.

Cooperative educational services provided by a BOCES (by the BOCES itself, or if applicable, its respective RIC) include shared computer services, software, and technical training and support that are provided to school districts that enter into applicable CoSers.

Customer is authorized to issue requests for proposals, award and enter into contracts for the purchase of instructional software applications that can be made available to school districts as part of applicable approved CoSers, on behalf of itself and other BOCES across New York State that participate in a statewide Instructional Technology Contract Consortium (“NYSITCC”). Through Customer’s procurement process, EDpuzzle, Inc. has been identified and accepted by Customer as a provider of the “Edpuzzle Service”, as more fully described herein (the “Product(s)").

As Customer and several other BOCES throughout New York State have expressed an interest in offering the Product(s) to school districts as part of the applicable approved CoSers, Customer wishes to make the Product(s) available through the NYSITCC. Accordingly, the Parties have entered into this Agreement to set forth the terms upon which the Product(s) will be made available by Customer to itself and to other BOCES and school districts through the NYSITCC.

1. TERM and TERMINATION

1.1 Term of Agreement. The Effective Date of this Agreement shall coincide with the day the last party signs. The initial term of this Agreement shall commence on the Effective Date and continue until 11:59 pm June 30, 2023 (“the Initial Term”), unless earlier terminated as otherwise set forth herein. The Initial Term may be extended for successive renewal terms of

three (3) years (each a "Renewal Term") only by mutual execution by the Parties of either a written Amendment to this Agreement, or, a new Agreement.

1.2 Termination of Agreement. Either Party may terminate this Agreement for any reason prior to the expiration of its Initial Term (or the expiration of any Renewal Term) upon ninety (90) days' written notice to the other.

1.3 Termination by Customer. Customer shall have the right to terminate this Agreement at any time prior to the expiration of its Initial Term (or the expiration of any Renewal Term) in the event of Vendor's failure to cure any default or breach of this Agreement within (30) days written notice from Customer.

1.4 Termination upon Service Expiration. This Agreement shall be terminated upon expiration of the contracted Service. Service shall expire either (a) at District's request upon proactive deletion of user accounts; (b) upon written request; or (c) in the absence of any specific request or action, after eighteen (18) months of account inactivity.

2. SCOPE OF SERVICES

Acting as an independent contractor, Vendor will provide the Product(s) as more fully described and at the prices stated in **Exhibit A**, attached to this Agreement and incorporated by reference. Any services related to the Product(s) to be provided by Vendor, including but not limited to consulting, educational, hosting, system administration, training or maintenance and support services ("Services"), shall be as more fully described within this Agreement and at the prices stated in **Exhibit A**, attached to this Agreement and incorporated by reference.

3. GRANT OF LICENSE

3.1 The Product(s) are provided under license. Vendor grants to Customer, as a participating BOCES in the NYSITCC on behalf of the Western New York Regional Information Center ("WNYRIC"), and to each other BOCES that is a participant in the NYSITCC (and, where applicable, on behalf of its RIC), a non-assignable, non-transferable and non-exclusive license to utilize the Product(s) pursuant to the terms and conditions set forth herein. Vendor further grants to each individual school district that contracts for the Product(s) with a BOCES through the NYSITCC by purchasing CoSer 6360 Instructional Technology Service and provides professional development by purchasing CoSer 6368 Model Schools, a non-assignable, non-transferable and non-exclusive license to utilize the Product(s) pursuant to the terms and conditions set forth herein. For purposes of the licenses granted by Vendor pursuant to this Agreement, Customer, each other BOCES, and each individual school district as described herein may also be referred to individually as a "Licensee" and collectively as "Licensees." Licensees shall not assign, sublicense or otherwise encumber or transfer the Product(s) without the prior written consent of the Vendor. Nothing herein shall act to transfer any interest in the Product(s) to any Licensee, and title to and ownership of the Product(s) shall at all times remain with the Vendor.

3.2 Vendor may terminate the license granted to a Licensee under this Agreement if the Licensee fails to comply with any terms and conditions of this Agreement that are specifically applicable to that entity as a Licensee. Within five (5) days of receipt of such termination, the Licensee shall return all materials related to the Product(s) and, to the extent applicable, arrange

with Vendor to remove the Product(s) from the computers located at the Licensee's sites or under the direct control of Licensee.

3.3 Vendor warrants that it has full power and authority to grant the rights herein described. Vendor's obligation and liability under this Section 3 shall be to obtain any authorization necessary to make effective the grant of license to Licensees to use the Product(s), in such a manner or method as determined by Vendor, at Vendor's own cost and expense.

4. USE of PRODUCTS, PROTECTION OF APPLICATION and CONFIDENTIAL INFORMATION

4.1 Product(s) shall be utilized only at such licensed sites as shall be designated by Licensees (or utilized in a cloud environment as designated by Licensees) and shall be used solely for the benefit of Licensees. Licensees shall not permit or provide for transfer or reproduction of the Product(s), or any portion thereof, to be placed on a computer not at the Licensee's designated sites or under the direct control of the Licensee, by physical or electronic means, unless specifically authorized by Vendor and/or as otherwise provided in this Agreement.

4.2 The Product(s) are protected by copyright law. Vendor hereby confirms that Vendor is the owner of the copyright in the Product(s) described in **Exhibit A**, as well as an authorized source or reseller for the Product(s) in the state of New York. Licensees shall not make or allow others to make copies or reproduction of the Product(s), or any portion thereof in any form without the prior written consent of Vendor and/or as otherwise provided in this Agreement. The unauthorized copying, distribution or disclosure of the Product(s) is prohibited and shall be considered a material breach of this Agreement.

4.3 Except as expressly stated herein, no Licensee may alter, modify, or adapt the Product(s), including but not limited to translating, reverse engineering, decompiling, disassembling, or creating derivative works, and may not take any other steps intended to produce a source language state of the Product(s) or any part thereof, without the prior written consent of Vendor.

4.4 Licensees shall be the sole owner and custodian of any information or data transmitted to, received, or manipulated by the Product(s), except as otherwise specifically set forth in this Agreement.

4.5 Use Restrictions. Licensees shall use the Product(s) in accordance with their nature and purpose and shall respect limitations on usage of the Product(s) as specified in Vendor's "[Terms of Service](#)", especially in the "[Use Restrictions](#)" section, unless otherwise foreseen in this Agreement.

4.6 Confidential Information. Each Party will use the same degree of care to protect the other Party's Confidential Information as it uses to protect its own confidential information of like nature, but in no circumstances less than reasonable care. "Confidential Information" for purposes of this subparagraph means any information that is marked or otherwise indicated as confidential or proprietary, in the case of written materials, or, in the case of information that is disclosed orally or written materials that are not marked, by notifying the other Party of the

proprietary and confidential nature of the information, such notification to be done orally, by email or written correspondence, or via other means of communication as might be appropriate. Notwithstanding the foregoing, (a) Confidential Information of Vendor shall include the Software and the terms of this Agreement (except those portions of the Agreement that Customer may be required to disclose by law or legal process) and (b) the Confidential Information of Customer shall include personally identifiable information regarding its and other Licensees' end users provided in connection with the Product(s). Confidential Information does not include information which (a) was known to the receiving Party or in the public domain before disclosure; (b) becomes part of the public domain after disclosure by a publication or other means except by a breach of this Agreement by the receiving Party; (c) was received from a third party under no duty or obligation of confidentiality to the disclosing Party; or (d) was independently developed by the receiving Party without reference to Confidential Information. Disclosures of Confidential Information that are required to be disclosed by law or legal process shall not be considered a breach of this Agreement as long as the recipient notifies the disclosing Party, provides it with an opportunity to object and uses reasonable efforts (at the expense of the disclosing Party) to cooperate with the disclosing Party in limiting disclosure to the extent allowed by law.

4.6 Vendor Obligations Under NYS Education Law 2-d. For Student Data, or Teacher and Principal Data, as such terms are defined in New York Education Law Section 2-d, Vendor shall comply with all terms, conditions and obligations as set forth in the Data Sharing and Confidentiality Agreement incorporated into this Agreement by reference as **Exhibit D**. In the event that Vendor receives, stores or maintains Student Data, or Teacher and Principal Data provided to it by a Licensee, whether as a cloud provider or otherwise, the Vendor assumes all risks and obligations in the event of a breach of security of such data. Vendor shall not subcontract or assign its obligation to store or maintain Student Data, or Teacher and Principal Data provided to it pursuant to this Agreement to a third-party cloud provider unless granted specific prior written permission from Customer.

5. REPRESENTATIONS, WARRANTIES AND DISCLAIMERS

5.1 Mutual. Each Party represents and warrants that it has the power and authority to enter into this Agreement and that the Party's execution, delivery, and performance of this Agreement (a) have been authorized by all necessary action of the governing body of the Party; (b) do not violate the terms of any law, regulation, or court order to which such Party is subject or the terms of any agreement to which the Party or any of its assets may be subject; and (c) are not subject to the consent or approval of any third party, except as otherwise provided herein.

5.2 Intellectual Property. Vendor warrants that use of the Product(s) does not infringe any United States patent, copyright, or trade secret. Vendor will indemnify Customer and any other applicable Licensee and hold it or them harmless from and against any and all claims, actions, damages, liabilities and expenses in connection with any allegation that the use of the Product(s) provided hereunder infringed upon any United States patent or pending application for letters patent or constituted an infringement of any trademark or copyright. Customer or the other Licensee, as applicable, will notify Vendor in writing of such suit, claim, action, proceeding or allegation(s). Vendor shall have sole control of the defense. Customer or the other Licensee, as applicable, shall provide reasonable information and assistance to the Vendor at the Vendor's expense.

5.2.1 Vendor shall have the right to make such defense by counsel of its choosing and Customer or the other Licensee, as applicable, shall cooperate with said counsel and Vendor therein.

5.2.2 If the Product(s) are held to infringe, or in Vendor's opinion is likely to be held to infringe, any United States Patent or pending applications for Letters Patent, or any Trademark or Copyright, Vendor shall, in addition to its obligations as set forth in paragraphs 5.2 and 5.2.1 above, at its expense, (a) secure the right for Customer or the other Licensee, as applicable, to continue use of the Product(s) or (b) replace or modify the Product(s) to make it non-infringing. If commercially reasonable efforts to perform the foregoing are unsuccessful, Customer or the other Licensee, as applicable, shall be entitled to a pro-rata refund of fees paid by Customer or the Licensee to Vendor pursuant to this Agreement, calculated as of the date Customer or the Licensee, as applicable, was prohibited from using the Product(s).

5.2.3 Vendor shall have no obligation with respect to any such claim of infringement based upon modifications of machines or programming made by Customer or any other Licensee without Vendor's approval, or upon their combination, operation, or use with apparatus, data, or programs not furnished by Vendor by Customer or any other Licensee, without Vendor's approval.

5.2.4 Vendor shall also not be liable and shall not hold Licensee harmless from and against any and all claims, actions, damages, liabilities and expenses, in connection with copyright-infringing content directly created by Licensee and/or end-users as a consequence of their usage of the Product(s).

5.3 Warranties. Vendor represents and warrants that (a) the Product(s) will perform substantially in accordance with the specifications set forth in the then-current Documentation, if any, for such Product(s), and that (b) the Services will be performed in a professional and workmanlike manner. In the event of a non-conformance of the Product(s) or Services, reported to Vendor by Customer or any other Licensee, Vendor shall make commercially reasonable efforts to correct such non-conformance. In the event that Vendor is unable to correct such non-conformance, Vendor will provide Customer or the other Licensee, as applicable, with replacement or repair of defective Product(s), re-performance of Services, or a pro-rata refund of fees paid pursuant to this Agreement, calculated as of the date of commencement of any period of non-conformance.

5.4 Remedies available to Customer or any other Licensee for damage or loss to the Product(s) shall be the repair or replacement of the Product(s) or a pro-rata refund of fees paid pursuant to this Agreement, calculated as of the date of commencement of the damage or loss. Vendor shall have no liability or responsibility for damage or loss to the Product(s) caused by any alteration or modification by a Licensee not authorized by Vendor, or for damage or loss arising out of the malfunction of Licensee's equipment or other software not supplied by Vendor.

5.5 Disclaimers. EXCEPT AS EXPRESSLY PROVIDED HEREIN, VENDOR EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY WITH RESPECT TO THE PRODUCT(S) AND SERVICES, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. VENDOR DOES NOT WARRANT THAT THE PRODUCT(S) WILL PERFORM OR OPERATE

UNINTERRUPTED OR ERROR-FREE, OR THAT THE FUNCTIONS CONTAINED IN THE PRODUCT(S) WILL MEET ANY LICENSEE'S PARTICULAR REQUIREMENTS OR PURPOSE.

5.6 Customer Representations and Warranties. Customer hereby represent and warrants to Vendor:

5.6.1 That all BOCES that are participants in the NYSITCC, including Customer, have agreed to be bound by the terms of this Agreement and perform their specific obligations as participating BOCES herein.

5.6.2 That all BOCES that are participants in the NYSITCC, including Customer, will take reasonable measures to ensure that all of the sites used by BOCES and school district Licensees within their jurisdiction will meet the systems and network minimum requirements set forth on **Exhibit C**, attached to this Agreement and made a part hereof.

5.6.3 That all BOCES that are participants in the NYSITCC, including Customer, will take steps to ensure that BOCES and school district Licensees within their jurisdiction use their best efforts to make staff available for training in how to utilize the Product(s) as requested by Vendor.

5.6.4 That all BOCES that are participants in the NYSITCC, including Customer, will provide Vendor with the name of a contact person (hereinafter referred to as the "BOCES Contact") who will have the authority to act on behalf of the BOCES and school district Licensees within their jurisdiction with regards to any questions or issues that may arise during the installation or implementation of the Product(s). Unless directed by that BOCES Contact, the Vendor will have no other contact within the BOCES regardless of previous working relationships. The Vendor will provide written communication to the BOCES Contact if it plans to demo/visit a BOCES or school district Licensee within that BOCES' jurisdiction. This communication will occur a minimum of two (2) days prior to the demo/visit.

6. INDEMNIFICATION

Customer shall indemnify and hold harmless Vendor and its officers, directors, employees and agents and hold them harmless from any and all third party claims, liabilities, costs, and expenses, including attorney fees and expenses, arising from or relating to any breach by Customer of this Agreement. Vendor shall indemnify and hold harmless Customer and its officers, directors, employees and agents and hold them harmless from any and all third party claims, liabilities, costs, and expenses, including attorney fees and expenses, arising from or relating to any breach by Vendor of this Agreement.

7. FEES AND PAYMENT

7.1 License Fees. In consideration of the licenses granted to all Licensees as described herein, and the Services to be performed by Vendor, Customer agrees that each participating BOCES (including Customer) shall pay Vendor the applicable fees set forth in **Exhibit A** on behalf of each Licensee within its jurisdiction that participates in the applicable CoSers during any fiscal year within the Initial Term of this Agreement or any Renewal Term.

7.2 Pricing. The fees set forth in **Exhibit A** shall be applicable during the period July 1, 2020 through June 30, 2021 (the first fiscal year within the Initial Term of this Agreement).

Vendor will provide to Customer proposed new pricing for each succeeding fiscal year within the Initial Term of this Agreement (or each succeeding fiscal year within any Renewal Term) by November 1 of each fiscal year, by notification to Michelle Okal-Frink, Erie 1 BOCES by e-mail at contracts@e1b.org or by certified letter addressed to 355 Harlem Road, West Seneca, NY 14224. Michelle Okal-Frink will work with the Vendor to evaluate and accept pricing to be applicable during each succeeding fiscal year; however, in no event shall pricing increase by more than 8% annually. The Parties shall revise **Exhibit A** as needed to reflect any new prices as mutually agreed. If no notification is received by November 1 of any fiscal year, the fees established for the then current fiscal year will remain in effect for the subsequent fiscal year.

7.3 Quotes. Quotes applicable to any BOCES or school district Licensees based on the fees set forth in **Exhibit A** shall be provided to each BOCES Contact (including Customer's) or his/her designee. The Vendor will not provide quotes directly to any school district Licensees. Each quote will reference the NYSITCC contract number. Each participating BOCES (including Customer) will issue a purchase order to Vendor on behalf of each Licensee within its jurisdiction that wishes to participate in the applicable CoSers.

7.4 Invoices. When invoicing Customer, Vendor shall send invoices addressed to 355 Harlem Road, West Seneca, NY 14224 (Attention: Business Office); any other invoices shall be sent by Vendor to the other participating BOCES initiating the request. Vendor shall contact the BOCES contact at each other participating BOCES to receive the proper invoicing address. Payment shall be made by each participating BOCES (including Customer) within forty-five (45) days of either completion of the activation of the Product(s) at the site of a Licensee, or the implementation meeting for service.

7.5 Withdrawal. Vendor acknowledges that due to the nature of BOCES services, individual Licensees may from time to time, during the Initial Term of this Agreement or any Renewal Term, withdraw from or choose not to renew their participation in the applicable BOCES service for a subsequent fiscal year. Each participating BOCES (including Customer) shall provide written notification to Vendor of any such withdrawal or non-renewal by any Licensee within its jurisdiction no later than thirty (30) days prior to its effective date (typically July 1st), without penalty. Upon receipt of notification and express request by the Licensee, Vendor shall securely delete or otherwise destroy any and all Protected Data received from that Licensee remaining in the possession of Vendor or any of its subcontractors or other authorized persons or entities to whom it has disclosed the Protected Data; if requested by the Licensee and where feasible, Vendor will assist in exporting all Protected Data previously received back to the Licensee prior to deletion. Vendor will provide Customer and the Licensee with written certification from an appropriate officer that these requirements have been satisfied in full. In the absence of any specific request or action by the Licensee, Protected Data shall be deleted after an account inactivity term of eighteen (18) months, without prejudice to Vendor's data retention policies in regard to security copies or backups of data as part of its disaster recovery storage system, which will be automatically removed from Vendor's system in a maximum term of thirteen (13) months since their creation. Provisions foreseen in this Agreement shall continue to apply so long Vendor maintains Protected Data in its possession. For purposes of this subsection 7.5, "Protected Data" shall have the same meaning as set forth in the Data Sharing and Confidentiality

Agreement incorporated into this Agreement by reference as **Exhibit D**. Notwithstanding the non-renewal or withdrawal of any Licensee, the terms of this Agreement shall continue in full force and effect with respect to Customer and any other remaining BOCES or school district Licensees.

8. IMPLEMENTATION ASSISTANCE SERVICES AND TRAINING SUPPORT

8.1 Training. The Vendor will provide initial training, at no cost, to Customer's staff and the staff of each participating BOCES so that they are able to turn key and train school district Licensees using RIC/BOCES accounts or Product(s) provided to the RIC/BOCES at no cost, at four (4) sites during each year of this Agreement. These accounts will be fully active within the system and not simply a training site. This training should be in person and be robust whereas the BOCES staff developers are able to provide the support and professional development to the school district Licensee in order to promote a successful implementation. The Vendor will provide on-site training and installation to the BOCES staff as outlined in **Exhibit B**, attached and incorporated herein by reference.

8.2 Use of Training Materials. Customer, all other participating BOCES, and all school district Licensees may use the entire Vendor provided training materials, on an ongoing basis, at no cost. Customer, all other participating BOCES, and all Licensee school districts may modify the Documentation for use solely within the Licensee school districts that have purchased the Product(s) pursuant to this Agreement.

8.3 Training Logins & Sites. The Vendor will provide Customer and all other participating BOCES the Product(s) or application logins and demo sites, at no cost, for utilizing the Product(s) while training Licensee school districts. The Vendor will provide administrative logins to Customer and all other participating BOCES for each Licensee school district in order for Customer and all other participating BOCES, as owners of the equipment/licenses, to manage and maintain accounts as required by the State Department of Education. The Vendor will provide updates and training each year for four additional sites throughout New York State for new and current trainers to be coordinated through Michelle Okal-Frink or her designee. Michelle Okal-Frink or her designee must approve any marketing that would include the name and or logo of Customer or any other participating BOCES.

9. TECHNICAL SUPPORT SERVICES

9.1 Technical support and updates provided by Vendor shall include assistance and consultation by electronic mail to assist Customer, any other participating BOCES, or any school district Licensee in resolving problems with the use of the Product(s), at no charge.

9.2 Vendor shall provide support for the Product(s) for at least one (1) year following any notification by Vendor to Customer, any other participating BOCES, or any school district Licensee that the Product(s) has been discontinued.

9.3 All requests for assistance to Vendor by Customer, any other participating BOCES, and/or any school district Licensee to resolve problems which cause the software to become "inoperative" will be acknowledged by Vendor by electronic mail within twenty-four (24) hours during Vendor's normal support hours. For less severe problems, Vendor must acknowledge the request for assistance by electronic mail within forty-eight (48) hours.

9.4 Vendor also agrees to provide the following technical support services to Customer, any other participating BOCES, and any school district Licensee:

9.4.1 Electronic mail support via Zendesk from [9:00] A.M. to [5:00] P.M. EST (Eastern Standard Time).

9.4.2 Bug Correction – Vendor shall use its best efforts to correct any software bugs in the Product(s). Customer, any other participating BOCES, and any school district Licensee shall allow Vendor in each instance the opportunity to make repeated efforts within a reasonable time to correct any such bugs.

9.4.3 Training, free of charge, for technical staff of Customer and/or any other participating BOCES to install or upgrade any equipment, if necessary. This training can be provided via webinar.

10. APPLICABLE LAW

This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of New York without regard to that State's choice-of-law provisions. In the event a dispute arises between the Parties in connection with this Agreement, the Parties shall use good faith efforts to resolve such dispute by negotiation. In the event the Parties are unable to resolve such dispute by negotiation, the matter shall be venued in any court of competent jurisdiction located in the County of Erie, State of New York and the Parties hereby agree to submit to personal jurisdiction in any such court.

11. FORCE MAJEURE

Notwithstanding anything to the contrary contained herein, neither Party shall have any liability to the other Party for any default or delay in performance of its obligations hereunder to the extent attributable to unforeseen events beyond the reasonable control of the Party. Such events shall include but not be limited to, natural disasters or "acts of God;" war; acts of public enemies; terrorism; flood; government action, orders or regulations; fire; civil disturbance or unrest; work stoppage or strike; unusually severe weather conditions; disease, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine or other employee restriction (each, a "Force Majeure" event). Vendor's performance of some or all of its obligations hereunder may also cease at any time upon mutual written agreement between the Parties. Any warranty period affected by a Force Majeure event shall be extended for a period equal to the duration of such Force Majeure event.

12. CONSENT TO BREACH NOT WAIVER

No term or provision of this Agreement shall be deemed waived and no breach excused, unless such waiver or consent to breach shall be in writing and signed by the Party granting the waiver or consent. If either Party grants a waiver or consent to a breach of a term or provision of this Agreement, such waiver or consent shall not constitute or be construed as a waiver of or consent to any other or further breach of that term or provision or any other different or subsequent breach of any other term or provision.

13. SEVERABILITY

If any term, clause or provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the validity or operation of any other term, clause or provision and such invalid term, clause or provision shall be deemed severed from the Agreement.

14. RISK OF LOSS OR DAMAGE

Vendor and its insurers agree at a minimum to assume all risks of loss and damage to the Product(s) during transportation except for loss or damage caused by the gross negligence of Customer, any other participating BOCES, and/or any school district Licensee.

Vendor assumes all risks for injuries to or death of its employees and for damage to its tangible property, excluding damage to data, while on the premises of, or traveling to or from, facilities of Customer, any other participating BOCES, and/or any school district Licensee. Vendor shall provide assistance to recover or resolve any damaged data to the reasonable satisfaction of Customer, any other participating BOCES, and/or any school district Licensee.

15. AMENDMENT

This Agreement may be amended by Customer and Vendor provided that any such changes or modifications shall be in writing signed by the parties hereto.

16. HEADINGS

The headings of the paragraphs and sections of this Agreement are inserted for convenience only and shall not be deemed to constitute a part hereof.

17. NOTICES

Except as otherwise provided in this Agreement, all notices required hereunder shall be in writing and sent by certified mail, return receipt requested to the Party at the address written above, or such other address as noticed to the other Party.

18. CONFLICT OF INTEREST

Vendor represents and warrants that Vendor presently has no interest and shall not acquire any interest, direct or indirect that would conflict in any manner or degree with the performance of Vendor's obligations under this Agreement. Vendor further represents and warrants that it has not employed nor retained any person or company, other than a bona fide employee working solely for Vendor or the Vendor's bona fide agent, to solicit or secure any agreement with any other participating BOCES or any school district Licensee. Further, Vendor represents that Vendor has not paid, given, or agreed to pay or give any company or person, other than a bona fide employee working solely for Vendor or the Vendor's bona fide agent, any fee, commission, percentage, brokerage fee, gift, contribution, or any other consideration contingent upon or resulting from the award or making of any agreement with any other participating BOCES or any

school district Licensee. Upon discovery of a breach or violation of the provisions of this paragraph, Customer shall have the right to terminate this Agreement in accordance with subsection 1.3, however, it may do so immediately and without providing Vendor the opportunity to cure such breach or violation.

19. EMPLOYMENT PRACTICES

Vendor warrants that there shall be no discrimination against any employee who is employed in the work covered by the Agreement, or against any applicant for such employment, because of race, religion, color, sex, age or national origin. This shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment, recruitment advertising, lay-off, termination, rates of pay or other tools of compensation, and selection for training, including apprenticeship. Vendor shall insert similar provisions in any authorized subcontracts for the performance of Services covered by this Agreement.

20. EXECUTORY CLAUSE

This Agreement shall be deemed executory only to the extent of monies appropriated and available to Customer or any other BOCES or school district Licensee for the purpose of this Agreement, and no liability on account thereof shall be incurred by Customer or any other BOCES or school district Licensee beyond the amount of such monies. The Agreement is not a general obligation of Customer or any other BOCES or school district Licensee. Neither the full faith and credit nor the taxing power of any school district Licensee is pledged to the payment of any amount due or to become due under this Agreement. It is understood that neither this Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or to make monies available from the purpose of this Agreement.

21. NON-ASSIGNMENT

This Agreement shall be binding on the Parties and on their successors and assigns. Vendor is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this Agreement, or its right, title or interest therein, or its power to execute this Agreement or any amendment thereto, or its power to perform the obligations required by this Agreement to any other person or corporation without the previous consent, in writing, of Customer; and any attempts to assign the Agreement without Customer's prior written consent are null and void.

EXHIBIT A

Edpuzzle is a simple, easy-to-use video platform that helps teachers engage their students. In the classroom, teachers use Edpuzzle to impart video-lessons their students watch through the Edpuzzle Apps (iOS and Android), the Edpuzzle website (www.edpuzzle.com) or the Learning Management System with which Edpuzzle has been integrated (Canvas, Moodle, Schoology, etc.). Beyond the classroom, teachers use Edpuzzle to engage students at home and complete the video-learning experience anywhere. Teachers can instantly collect students' viewing history and responses to embedded questions.

Edpuzzle teachers can either upload their own videos, use the ones posted on YouTube or re-use an already existing video-lesson created by another teacher. Then, teachers may edit the video to create their lessons. They may record their voice to personalize it and hold their students accountable by embedding questions in the video. Finally, teachers will assign the video to their students and follow their progress in real time while they all learn at their own pace.

SUPPLEMENTAL INFORMATION

ABOUT THE MASTER LICENSE AND SERVICE AGREEMENT
BETWEEN
ERIE 1 BOCES AND [NAME OF VENDOR]

Erie 1 BOCES has entered into a Master License and Service Agreement ("MLSA") with EDpuzzle, Inc. which governs the availability to Participating Educational Agencies of the following Product(s): "Edpuzzle".

Pursuant to the MLSA, Participating Educational Agencies may provide to Vendor, and Vendor will receive, personally identifiable information about students, or teachers and principals, that is protected by Section 2-d of the New York State Education Law ("Protected Data").

Exclusive Purpose for which Protected Data will be Used: The exclusive purpose for which Vendor is being provided access to Protected Data is to provide Participating Educational Agencies with the functionality of the Product(s) listed above. Vendor agrees that it will not use the Protected Data for any other purposes not explicitly authorized in the MLSA. Protected Data received by Vendor, or any of Vendor's subcontractors, assignees, or other authorized agents, will not be sold, or released or used for any commercial or marketing purposes.

Oversight of Subcontractors: In the event that Vendor engages subcontractors, assignees, or other authorized agents to perform one or more of its obligations under the MLSA (including any hosting service provider), it will require those to whom it discloses Protected Data to execute legally binding agreements acknowledging the obligation under Section 2-d of the New York State Education Law to comply with the same data security and privacy standards required of Vendor under the MLSA and applicable state and federal law. Vendor will ensure that such subcontractors, assignees, or other authorized agents abide by the provisions of these agreements by assessing their practices and policies (a) prior to contacting; (b) annually after contracting; and (c) whenever a subcontractor, assignee, or other authorized agent updates or otherwise modifies its practices and/or policies.

Duration of MLSA and Protected Data Upon Expiration:

- The MLSA commences on the Effective Date of the MLSA and expires on the Termination Date of the MLSA.
- Upon expiration of the MLSA without renewal, or upon termination of the MLSA prior to expiration, Vendor will securely delete or otherwise destroy any and all Protected Data remaining in the possession of Vendor or its assignees or subcontractors or other authorized persons or entities to whom it has disclosed Protected Data. If requested by Erie 1 BOCES and/or any Participating Educational Agency, Vendor will assist a Participating Educational Agency in exporting all Protected Data previously received back to the Participating Educational Agency for its own use, prior to deletion, in such formats as may be requested by the Participating Educational Agency.

- In the event the Master Agreement is assigned to a successor Vendor (to the extent authorized by the Master Agreement), the Vendor will cooperate with Erie 1 BOCES as necessary to transition Protected Data to the successor Vendor prior to deletion.
- Neither Vendor nor any of its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data will retain any Protected Data, copies, summaries or extracts of the Protected Data, or any de-identified Protected Data, on any storage medium whatsoever.
- Upon request, Vendor and/or its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data, as applicable, will provide Erie 1 BOCES with a certification from an appropriate officer that these requirements have been satisfied in full.

Challenging Accuracy of Protected Data: Parents or eligible students can challenge the accuracy of any Protected Data provided by a Participating Educational Agency to Vendor, by contacting the student's district of residence regarding procedures for requesting amendment of education records under the Family Educational Rights and Privacy Act (FERPA). Teachers or principals may be able to challenge the accuracy of APPR data provided to Vendor by following the appeal process in their employing school district's applicable APPR Plan.

Data Storage and Security Protections: Any Protected Data Vendor receives will be stored on systems maintained by Vendor, or by a subcontractor under the direct control of Vendor, in a secure data center facility located within the United States. The measures that Vendor will take to protect Protected Data include adoption of technologies, safeguards and practices that align with the NIST Cybersecurity Framework and industry best practices including, but not necessarily limited to, disk encryption, file encryption, firewalls, and password protection.

Encryption of Protected Data: Vendor (or, if applicable, its subcontractors) will protect Protected Data in its custody from unauthorized disclosure while in motion or at rest, using a technology or methodology specified by the secretary of the U.S. Department of HHS in guidance issued under Section 13402(H)(2) of P.L. 111-5.

Supplement to

**MASTER LICENSE AND SERVICES AGREEMENT
(Term Ending June 30, 2023)**

Vendor having its principal offices at **833 Market Street, San Francisco, CA 94103**, and Board of Cooperative Educational Services for the First Supervisory District, Erie County having its principal offices at 355 Harlem Road, West Seneca, NY 14224 ("Erie 1 BOCES"), have entered into a Master License and Services Agreement, the term of which ends June 30, 2023 (the "Agreement"). By this Supplement, **Vendor** and Erie 1 BOCES wish to provide for the potential purchase of **Edpuzzle Pro** licenses and services by other Board of Cooperative Educational Services (BOCES) in the State of New York (intermediate units of the NYS Education Department) on the same terms and conditions.

Vendor agrees to honor the pricing in Exhibit A only for the BOCES that adopt the contract at their Boards of Education. If a RIC or BOCES has not adopted the resolution **Vendor** may not extend the same or lesser pricing than has been set forth in Exhibit A. Lower prices will not be offered to school districts/BOCES/RICs in NY state. Vendors may utilize national promotions or sales within the state of New York and those prices would be extended through the contract after the approval of Michelle Okal-Frink or her designee. Special pricing for specific BOCES or RICs is not allowable under this contract.

Erie 1 BOCES and **Vendor** hereby agree:

1. From time to time during the term of the Agreement, another BOCES in New York State (an "Other BOCES") may adopt a Board of Education resolution that permits Erie 1 BOCES to represent the Other BOCES' interests and to enter into the Agreement on behalf of the Other BOCES.
2. The Other BOCES shall purchase under the Agreement by issuing an Addendum in the form of a Board resolution, appropriately amended to reflect that the Other BOCES is the purchaser. By issuing that Addendum, the Other BOCES will agree to be bound by all of the terms of the Agreement with respect to its purchase thereunder.

**FUNCTIONALITY OF THE EDPUZZLE SERVICE
AND DATA PROCESSING PRACTICES**

Supplement to

**MASTER LICENSE AND SERVICE AGREEMENT
BETWEEN
ERIE 1 BOCES AND EDPUZZLE, INC.**

EDpuzzle, Inc. ("Vendor"), having its principal offices at 833 Market Street (Suite 427), San Francisco, CA 94103, and Board of Cooperative Educational Services for the First Supervisory District, Erie County having its principal offices at 355 Harlem Road, West Seneca, NY 14224 ("Erie 1 BOCES"), have entered into a Master License and Services Agreement, the term of which ends June 30, 2023 (the "Agreement"). By this Supplement, Vendor and Erie 1 BOCES wish to further inform on the functionality of the services provided by Vendor (the "Edpuzzle Service") and relevant data processing practices related to the provision of the Edpuzzle Service.

Erie 1 BOCES and Vendor hereby agree:

- (1) Vendor offers a cloud-based software supported by several third-party service providers, such as but not limited to, externalized servers and data bases. Vendor declares to have agreements in place by virtue of which third-party service providers agree to comply with data protection obligations consistent with those applicable to Vendor pursuant to the Master License and Service Agreement and applicable laws. Vendor does not provide training on data protection to its third-party service providers, as it exceeds its scope of competence.
- (2) Vendor does not sell, release or otherwise use student personal information for commercial or marketing purposes. Nevertheless, teachers/staff from Erie 1 BOCES using "teacher accounts" within the Edpuzzle Service may receive marketing communications if express consent has been given in that sense. Teachers/staff may opt in and out of such communications at any time by enabling or disabling them through their account's settings page.
- (3) The Edpuzzle Service does not allow for users to transfer information or content from one account to another, especially because content generated by students is fully dependent on teacher assignments, meaning they are an indispensable part of student grading. Consequently, students are not granted control over their responses and assignments.
- (4) Regarding retrievable data, teachers/staff of Erie 1 BOCES will have the ability to download names, responses, results and grades obtained by students in their assignments (i.e., student gradebooks) at any point prior to deletion of accounts. It is not possible to retrieve data that is (i) not compatible with the Edpuzzle service (such as "downloading" Edpuzzle videos – be it YouTube embeds or Edpuzzle originals, among others), (ii) technically impossible; or (iii) involve a disproportionate effort for Vendor.

- (5) Provision of the Edpuzzle Service shall expire either (a) at the user's request upon proactive deletion of user accounts; or (b) in the absence of any specific request or action, after eighteen (18) months of account inactivity. Students cannot delete their own account, as any decision regarding their personal information and/or education records is left to the responsible teacher and, by extension, to the school. Therefore, deletion of student accounts can only be accomplished by having an authorized representative of the educational institution send a written request at support@edpuzzle.com or privacy@edpuzzle.com.
- (6) Vendor may keep copies and/or backups of data as part of its disaster recovery storage system, provided such data is (a) inaccessible to the public; (b) unable to be used in the normal course of business by the Vendor; and (c) deleted after a maximum term of thirteen (13) months since the creation of said copies and/or backups. Vendor shall implement appropriate technical and organizational security measures (e.g., analytics systems) to ensure that data removed from the Service, and stored in Vendor backups, is not repopulated following a disaster recovery.
