# *Mission Statement*

The mission of the Averill Park Athletic Hall of Fame is to recognize athletes, coaches, teams, and contributors who have made significant contributions to the Averill Park athletic program through their service, performance, dedication, commitment, and accomplishment.

## **Purpose**

The purpose of the Averill Park Athletic Hall of Fame is to recognize and honor athletes, coaches, teams, and contributors of Averill Park athletics to:

- Establish in the hearts of our youth a motivating influence to excel in athletics as well as community.
- Foster pride, promote good sportsmanship, scholarship, and citizenship in our school and community.
- Promote the rich and storied tradition of Averill Park athletics.

## *Candidates for Membership*

Candidates for membership in the Averill Park Athletic Hall of Fame shall be former Averill Park athletes, coaches, teams, and contributors who have met the requirements set forth in the guidelines on the following page.

# *Criteria for Selection*

## ● Athlete

- Attended Averill Park 10 years ago or more
- Participated in varsity athletics at Averill Park
- Consideration given to citizenship and character

## ● Coach

- Coached within the district
- Served with distinction in the athletic program

## ● Team (not eligible until 2022)

- Accomplishment was 10 years ago or more
- Has made unique athletic accomplishments

## ● Contributor

- Went above and beyond for the athletes at Averill Park

## Number of Inductees

The inaugural Class of 2018 and the Class of 2019 shall include no more than a total of 13 inductees each. The Class of 2020 and the Class of 2021 shall include no more than a total of 10 inductees. Future classes will not exceed seven inductees. Teams are separate and are not eligible for induction until 2022.

# Hall of Fame Members

2018

## ATHLETE

Elroy Face | *Class of '48*

Jen Fazioli | *Class of '98*

David W. Hastings | *Class of '58*

Rebecca Pollock Seidenstein | *Class of '95*

Tony R. Tanksley | *Class of '97*

## COACH

Richard "Coach Abb" Abbatiello

"Coach" Al DeShaw (deceased)

June D. MacGilfrey | *Class of '75*

## CONTRIBUTOR

Iona "Bud" Cole (deceased)

## **Iona “Bud” Cole (deceased)**

Bud Cole was a Physical Education and Health teacher at Averill Park High School from 1946 to 1979. She received her Physical Education and Health degree from Asbury University in Kentucky. As a collegiate athlete, she played basketball and tennis.

Before the days of Title IX there were few opportunities for girls to participate in interscholastic competition. Bud was instrumental in getting girls into activities such as “play days” and “school exchanges” before varsity level sports were introduced. In house, a student officials club was formed and Bud oversaw these student officiated contests. It was here that Bud was able to instill high expectations of students and emphasize fair play and sportsmanship.

Though not a coach, Bud supported and chaperoned many sporting events. Her early efforts were the springboard to the beginning of interscholastic athletic competition for girls. Opportunities to play field hockey, volleyball, basketball and softball came to fruition in 1972, and girls outdoor track & field followed in 1975.

Bud was a pioneer in the evolution of female athletics at Averill Park. We bring to light what was available to girls prior to Title IX and how Bud contributed to what was to follow. Averill Park has an outstanding interscholastic athletic program for females due in large part to Bud’s influence and efforts.

## **“Coach” Al DeShaw (deceased)**

Coach DeShaw graduated from Watervliet High School in 1935. He received a Bachelor of Science degree in Physical Education in 1940 and then his Master’s degree in 1951, both from Ithaca College. He and his wife Justine had two children, E. Marie DeShaw and Timothy (Thomasine) DeShaw. Coach DeShaw was a Navy veteran, a time he served between getting his Bachelor’s and Master’s degrees from 1943 to 1945. He started teaching at Averill Park in 1948 and spent his entire 23 year career as a teacher, coach, and athletic director.

During his tenure at Averill Park, Coach DeShaw was a central figure in the athletic department. He coached boys soccer, football, boys basketball, wrestling, and baseball. Besides teaching and coaching, he also umpired baseball and officiated basketball. Coach DeShaw was also instrumental in the creation of the Center Brunswick Youth Center, where he later became the Director of Recreation. His passion for athletics only surpassed his devotion to the kids with whom he worked.

In honor of Coach DeShaw, who passed away in 1971, Averill Park bestows its highest athletic award on a male and female athlete who, in the opinion of the varsity coaches, have displayed outstanding dedication and athletic skills, contributed greatly to the success of their teams, and exhibited characteristics that one would consider model for any athletic program. Coach DeShaw’s legacy lives on in this memorial award.

## **Richard “Coach Abb” Abbatiello**

Coach Abb has been an integral part of the Averill Park community since the early 1970's. He and his wife Joan raised their three children Matthew, James, and Jennifer here in Averill Park. Coach Abb attended Hudson Valley Community College and the University of Maine and graduated with a degree in Physical Education in 1971. He then came to Averill Park and has worked as a teacher and coach for the past 47 years.

Since coming to Averill Park, Coach Abb has worked in a myriad of positions. Not only was he a Physical Education teacher in both the high school and middle school, Coach Abb also coached a variety of sports. He started the boys modified soccer team which he coached for four years. At the varsity level, he coached wrestling for 13 years. He has coached Indoor and Outdoor Track & Field for 29 years and girls tennis for 28 years, and continues to coach these three sports. Among his wrestling accolades is a 133-51-3 record, 10 consecutive league championships, 2 individual Section 2 runner-ups, and an individual Section 2 champion. In track & field, Coach Abb has three league championships and has coached multiple Section 2 and NYSPHSAA champions in the pole vault and the pentathlon. In girls tennis, he had an individual finish as a Section 2 runner-up and go on to compete in the NYSPHSAA Championships.

Coach Abb has been a part of Averill Park athletics for more than 40 years and has had a tremendous impact on many student-athletes and programs. He has served as a role model and cares deeply about the thousands of lives he has influenced here in Averill Park. He has also mentored many young coaches, too. His influence reached outside the community when he was a gymnastics instructor at DC Stars from 1983-1993.

Coach Abb has been and continues to be a remarkable example of dedication and commitment to the students, athletes, and coaches in the Averill Park community.

## June D. MacGilfrey '75

June graduated from Averill Park High School in 1975, and continues to live in the community. She received an Associate's degree from Hudson Valley Community College, a Bachelor of Science degree in Physical Education from SUNY Brockport and a Master's degree in Curriculum Planning and Development from The University at Albany. Lastly, she earned her School District Administrator Certificate from The Massachusetts College of Liberal Arts.

As a student-athlete, June lettered in five varsity sports. In 1975 she was the team MVP for field hockey and volleyball, and the Central Hudson Valley League Outstanding Female Athlete. At HVCC, June lettered in four sports, was the volleyball MVP and received first team all-tournament honors. She also received the Lester C. Higbee Award which is given annually to the outstanding female athlete for distinguishing herself in intercollegiate competition during her two year career at HVCC.

June's career at Averill Park began as a substitute teacher in the district. In 1987 she began teaching Physical Education full time at Algonquin Middle School. June coached at many different levels for Averill Park. Her sub varsity teams were girls modified soccer, girls JV volleyball and boys modified basketball. At the varsity level, June coached one year of cross country, over 10 years of girls basketball with over 100 wins and 23 years of softball with over 300 wins. The wins in softball placed June with the second most wins in Section 2 history when she stopped coaching in 2003. In softball June led teams to six league championships and one Section 2 title. In 2006 June became the Director of Safety, Health and Physical Education for the district, and served in this position until her retirement in 2012.

June continues to support the programs at Averill Park by serving on the Athletic Hall of Fame committee, participating in the 6<sup>th</sup> Grade Olympics, and she monetarily funds the Tim DeShaw Awards given annually to a male and female senior athlete.

## Elroy Face '48

Elroy grew up in Stephentown and was a member of the Averill Park High School Class of 1948. He has three children; Michelle, Elroy, and Valerie and now resides in North Versailles, PA. As an athlete at Averill Park Elroy was a two year football, basketball, and baseball player. Prior to graduation, he entered the military and served his country in the United States Army. Elroy last visited Averill Park High School in July 2012.

During this visit he donated some of his baseball memorabilia to the district. He was awarded his long-awaited Averill Park High School diploma with the Class of 2013.

Elroy had a 16 year Major League Baseball career, playing almost exclusively for the Pittsburgh Pirates (1953, 1955-68). He also played for the Detroit Tigers (1968) and the Montreal Expos (1969). A pioneer of modern relief pitching, while almost exclusively using the forkball, he was the archetype of what came to be known as the closer, and the National League's greatest reliever until the late 1960's, setting numerous records during his career. Known as the "Baron of the Bullpen", Elroy was the first major leaguer to save 20 games more than once, leading the league three times and finishing second three times. He set the major league record for consecutive wins by a reliever with 22 wins over two seasons from 1958 to 1959, appearing in 98 games during the streak. In 1959 he set the still-standing major league record for winning percentage (.947) and single-season wins in relief with 18 wins against only one loss. In the 1960 World Series against the New York Yankees, Elroy became the first pitcher to save three games in a single World Series, something that has only been done four times since. Elroy was a World Series champion (1960) and a three time all-star (1959-61). He held the National League record for career games pitched (846) from 1967 until 1986, and the league record for career saves (193) from 1962 until 1982. He still holds the National League record for career wins in relief (96). On his retirement he ranked third in major league history in pitching appearances, behind only Hoyt Wilhelm and Cy Young, and second in saves behind Wilhelm. He holds the Pirates franchise records for career games (802) and saves (188).

Following his baseball career Elroy became a carpenter, a trade he learned from his father and uncles, until he retired in 1990.

## David W. Hastings '58

David is a 1958 graduate of Averill Park High School. Upon graduation, David entered the United States Coast Guard Academy where he received a Bachelor of Science degree in Engineering in 1962. He and his wife Linda have one child, Wade, who also attended Averill Park. Before retiring in 2014, David was the President of Hastings Associates, Inc. in Averill Park, NY. He was considered an authority on high voltage electrical equipment and a major

supplier to utilities such as Niagara Mohawk (NGrid), NYS Electric and Gas, and Rochester Gas & Electric.

As an athlete at Averill Park David lettered in soccer, basketball, and baseball. In his senior year, he was named Athlete of the Year. To this day, David still holds the single game scoring record of 58 points in basketball. During his senior year he averaged 28 points per game. At the Coast Guard Academy, David again lettered in soccer, basketball and baseball, earning a total of nine varsity letters. In soccer he was a co-captain, a 1<sup>st</sup> team All-New England player twice and an Honorable Mention All-American. In basketball he was a co-captain and he was an All-New England player who played in the "old" Boston Garden. David was the scoring leader four years in a row in soccer and basketball. On September 30, 2010 David was inducted into the United States Coast Guard Academy Athletic Hall of Fame.

Throughout his career, David was unselfish and giving of his time helping others. He demonstrated this talent on numerous occasions on the court and on the playing field. After graduation this leadership ability provided a foundation for David to start his own business and operate a highly successful company in upstate New York and parts of New England. It seems that David's second home was an athletic field or the hardwood. It is only fitting that David be inducted into the Averill Park Athletic Hall of Fame.

## Michael McDowell '87

Michael is a 1987 graduate of Averill Park High School. After graduation he attended Delhi Tech, majored in Hotel Management, and received his degree in 1989. Mike and his wife Susan have two children, Courtney and Katie, who also went through the Averill Park school system. Michael is a franchise owner of Snap-On Tools and is a major sponsor of the Averill Park Youth Wrestling program.

While attending Averill Park, and following in the footsteps of his brothers Warren and Kevin, Michael participated in football and wrestling for four years. As a wrestler, he was a member of Patroon Conference Championship teams from 1984-87. He was a two-time Section 2 champion in 1986 and 1987. He placed 2nd at the NYSPHSAA Championships in his weight class in 1986 and he placed 5th at the NYSPHSAA Championships in his weight class in 1987, making him the only two-time state place finisher in Averill Park history. Michael was also the Averill Park Most Valuable Wrestler in 1987. At Delhi Tech, Mike was the NJCAA Regional Champion in his weight class in 1988. He also participated in the 1985 and 1986 Empire State Games.

When it comes to wrestling, the McDowell family name is synonymous with dedication and commitment to the sport. Starting in 1989 the major awards in wrestling were given in honor of Michael's father, Warren "Mac" McDowell. The categories include most outstanding, career achievement, scholar-athlete and most improved. Even Michael's mom Pat and his sisters were deeply involved in the wrestling program. Michael's induction into the Averill Park Athletic Hall of Fame could certainly be considered a "family" accomplishment.

## **Rebecca Pollock Seidenstein '95**

Rebecca graduated from Averill Park High School in 1995. Upon graduation, she attended Wake Forest University and received a Bachelor of Arts degree in Communications in 1999. Currently Rebecca is employed by a fashion company, Rag & Bone, as Chief People Officer (Head of Human Resources). She and her husband Daniel reside in Brooklyn and have two children, Ivy and Zoe.

While at Averill Park, Rebecca competed for both the cross country and outdoor track & field programs for five years. In cross country Rebecca was the 1993 NYSPHSAA Class B champion, the 1991 NYSPHSAA Class B runner-up, a two-time Section 2 Class B champion (1993-94), the NYS Federation Meet runner-up (1993), and finished 13th at Foot Locker Nationals and was named an All-American in 1993. Rebecca was a part of and captained many accomplished cross country teams at Averill Park. She was a member of three Colonial Council championships (1991, 1993-94), four Section 2 championships (1990-91, 1993-94), a NYSPHSAA championship (1990), and two NYSPHSAA runner-up teams (1993-94). In outdoor track & field Rebecca was the 1993 NYSPHSAA Class B 1500 meter champion and still holds the Averill Park school record with a time of 4:35.08.

At Wake Forest Rebecca competed in cross country and track & field from 1995-1999. She received All-Region honors in cross country in 1998 and competed in the NCAA Cross Country Championships. She was in the top five on her cross country team all four years of her career at Wake Forest. Rebecca's many personal accomplishments clearly benefited the teams to which she was a part of.

## **Tony R. Tanksley '97**

Tony is a 1997 graduate of Averill Park High School. He is currently employed as a real estate agent in Atlanta, Georgia where he resides with his wife LaToya and their two children, Malachi and Olivia.

At Averill Park Tony competed in football for three years and outdoor track & field for two years. In 1996 Tony finished the football season with 1,531 rushing yards. In outdoor track & field Tony was the Section 2 and NYSPHSAA champion in the 100m dash in both 1996 and 1997. He also was the champion at the prestigious 57th annual Eddy Meet. Tony still holds the 100m dash record at Averill Park with a time of 10.82. In 1997 he was a member of the 4x100m relay team that placed third at the NYSPHSAA Championships.

As a high school athlete Tony's career started later than most due to severe asthma. "T-squared" would not be held back and he learned to manage his asthma so that it did not inhibit his athletic performance. One could only imagine what Tony could have accomplished had he been able to compete for all four years of high school.

Tony is now the consummate family man. His passion for football and track & field have been passed on to his two children. He enjoys watching Malachi play football and Olivia run track. Tony is grateful for his children to have these opportunities and for them to be able to enjoy the sports that he excelled in and loved.

## Jen Fazioli '98

Jen is a 1998 graduate of Averill Park High School. After high school, she attended the University of Colorado where she majored in American History and graduated in 2002. She went on to complete a Master's of Science degree in Labor Relations and Human Resources from Penn State University in 2004. Currently Jen is employed by Texas Christian University as an Assistant Coach for Cross Country, Indoor Track & Field, and Outdoor Track & Field.

Jen competed for Averill Park for six years in cross country and three years in outdoor track & field. In cross country she was a three-time NYSPHSAA Class B champion (1994-96), a three-time Section 2 Class B champion (1992, 1995-96), a six-time NYS Federation Meet competitor (1992-97), and a two-time Foot Locker National Qualifier and All-American (1995-96). Jen was also a six-time All-State team member (1992-97). In 1995 she was the runner-up in the 5K at the National Scholastic Outdoor Track & Field Championships. Jen was a major contributor and captain on many successful teams during her Averill Park career. In cross country she was a member of two NYSPHSAA Class B championships (1995-96), four Section 2 championships (1993-96), and five Colonial Council championships (1993-97). In outdoor track & field Jen still holds the Averill Park school record in the 3000m with a time of 9:59.7.

After high school Jen went on to compete at the University of Colorado where she competed for four years in cross country, indoor track & field, and outdoor track & field. During her college years she was a member of three Big 12 Conference championship teams (1998-00). In 2000, she was a member of the NCAA National Championship cross country team and she was named the University of Colorado Scholar-Athlete of the Year. At the age of 21, Jen qualified for the 2004 Olympic Marathon Trials by running a 2:47 in 2002 at the Hudson Mohawk Marathon. Jen was the youngest qualifier for the 2004 cycle and her time currently stands as the 10th best area time ever.

Jen has had a 10 year college coaching career that began at the University at Albany from 2007-2011. She then moved on to the Virginia Military Institute from 2012-2015, and currently coaches at TCU, home of the Horned Frogs.

*Securities and advisory services offered through LPL Financial, a Registered Investment Advisor, Member FINRA/SIPC*

It is important to have knowledge of how to save and invest to ensure that your hard-earned money is working for you. Whether you are saving for college, retirement or living in retirement, there is no time like the present to get quality-honest advice, in easy to understand terms, from a local professional. Some people feel that they don't have enough money saved or that it is too expensive to have a professional help with their finances, it's not. Jamie Hanlon, a West Sand Lake resident, is a financial advisor who can help you pursue your financial goals.

Jamie works with each of his clients to understand what is important to them and their family. His approach to financial wellness involves getting to know each client on a personal level. He communicates with each client in clear, simple language so they have a clear picture of where they stand financially.

Using an established process, he develops a personalized plan to help each client work toward their financial goals. This process involves determining your risk tolerance and learning of both your short and long term goals. He will help you with insurance needs and estate planning as well (\*LPL Financial does not offer tax or legal advice). Once a personalized financial plan has been established, Jamie will continue to partner with you over the years to keep you on track toward pursuing your goals.

Call today to set up an appointment either at your home, a coffee shop, or at his office in Latham. Don't hesitate in learning how to better prepare for your family's future. Your complimentary financial consultation is only a call away:

518-258-0019 Mobile or 518-608-1116 Office.

*Securities and advisory services offered through LPL Financial, a Registered Investment Advisor, Member FINRA/SIPC.*
