

**Averill Park Central School District**

Dear Parent/Guardian or Student 18 years of age:

Please carefully read, complete, and return this form regarding the release of student directory information to the United State Armed Forces.

The *No Child Left Behind Act* requires that all school districts in the United States make available student directory information to the United States Armed Forces unless a parent or guardian request in writing not to release it. Directory information consists of the student's name, address, and telephone number.

In order to respect each student's right to privacy we are asking that all parents of Averill Park students, and students 18 years of age, respond in writing regarding the release of student directory information.

**If you do not return this signed form, the Averill Park School District must, by law, release the directory information to the United States Armed Forces.**

\_\_\_\_\_ I have received the notice that I may decline to provide directory information to the United States military by submitting a request to the district that the information should not be released without my written consent.
