Awards for Graduating Seniors

Title of Award to be presented

James J. Markham Memorial Scholarship

Criteria for award recipient selection

The James J. Markham Memorial Scholarship is in honor of our dad, Jim, and the qualities he embodied and inspired in others – he was **kind** and **respectful** and never met a stranger; he **cared** and was always first to help out a friend in need; he was **responsible** and took great care of his family; he **inspired** you to be the best person you could be; and he had a great **sense of humor** and made people laugh. Your life was blessed for knowing him.

This scholarship should be awarded to two senior graduates who most exemplify the qualities of Jim - kind, respectful, caring, responsible, inspirational and makes people laugh. These students should have a financial need and plan to pursue a career in any trade or college degree.

Sponsor: **Family of James J. Markham**
