

# School Pantry at Averill Park CSD

3016T Averill Park High School

## PROGRAM AT A GLANCE

The Regional Food Bank's School Pantry program partners with middle and high schools to provide a flexible food pantry model where participating students can choose the foods they'd like based on their individual needs, preferences, and cooking ability.

Schools order the food that they feel will be most beneficial for participating students and fits within their program's budget.

### PROGRAM IMPACT

- Over 340 food insecure children were served during the 2018-19 school year.
- Distributed the equivalent of 39,300 meals directly into the hands of hungry children.
- 2,500 pounds of fresh produce were distributed to students through the program during 2018-19
- Feedback from students has shown that food is typically shared, helping to meet the nutritional needs of the entire household.

### AVERILL PARK'S SCHOOL PANTRY

- The program is offered in the middle and high schools through the Social Workers' office.
- Offers a variety of non-perishable food for Averill Park students to select from to meet their immediate food needs.
- Is referral based to target students who would most benefit from the program.
- Students can be served on an as-needed basis, or return each week if necessary.
- During the 2018-19 school year, Averill Park's School Pantry program distributed 8,100 pounds of food to hungry district students; the equivalent of 6,500 meals.

## SUPPORTING THE PROGRAM

## AVERILL PARK AND THE FOOD BANK

Partnering with the Regional Food Bank helps Averill Park provide critical nutrition to food insecure students in a manner that is respectful, discrete, and best meets students' needs.

The Regional Food Bank draws from its large inventory to provide nourishing foods at a low cost to each program. Additionally, the Regional Food Bank is a resource for schools providing administrative structure and support for the program.

Partner schools work with the Regional Food Bank to develop implementation plans including referring students in the program, preparing and stocking the pantry space, ordering food, and distributing to students.

Together, schools and the Regional Food Bank help students learn, thrive and grow both in and outside of the classroom.
