## Community Education Offerings

SEPTEMBER 2024 – JANUARY 2025

## MONDAY

### ► Healthcare After Retirement Part 1

Date: September 23  
Time: 6:30p.m.-8:00p.m.  
Location: High School Room 305  
Tuition: FREE\* *Registration is required*  
Instructor: Michael Stanton of Halliday Financial

Do you know what to expect when it comes to Medicare? Did you know Medicare is mandatory for those collecting Social Security and it will likely be your greatest expense in retirement? If you or someone you know is turning 65, ready to retire, or losing your employer plan, this course will help you discover an understanding of Medicare. From Part A to IRMAA, learn the fundamentals of how each section of Medicare works in this hands-on class aimed at making complex information easy-to-understand.

### ► Healthcare after Retirement Part 2

Date: September 30  
Time: 6:30p.m.-8:00p.m.  
Location: High School Room 305  
Tuition: FREE\* *Registration is required*  
Instructor: Michael Stanton of Halliday Financial

This is an educational course designed to help you understand the differences between advantage, supplemental and prescription drugs plans. This is the second class in the Healthcare series offered by Michael Stanton.

### ► Financial Planning Basics

Date: October 28  
Time: 6:30p.m.-8:00p.m.  
Location: High School Room 305  
Tuition: FREE\* *Registration is required*  
Instructor: Jeff Jones of Halliday Financial

In this presentation, we'll take a look at some general financial planning concerns. While there's no such thing as a "one-size-fits-all" financial plan, this overview should assist you in thinking about your own needs.

## SATURDAY / MONDAY

### ► Instant Piano for Hopelessly Busy People

Date: Session 1: November 2 (Saturday, 9:00a.m.-12:00p.m.),  
Session 2: May 5, 2025 (Monday, 6:30p.m.-9:00p.m.)  
Tuition: \$62  
Via Zoom (A code will be emailed after registration)

Instructor: Craig Coffman of IKI Inc.

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano the way professionals do-using chords. The chord method is LOTS of fun and dramatically easier to learn than reading notes. Fee includes the online book, online follow up lessons, a recording of the class and also an optional periodic question and answer session. Class is held online using zoom and is partly hands on instruction and partly lecture demonstration. Ages 13+

## MONDAY – FRIDAY

Time: 6:30p.m.-8:00p.m.  
Location: High School Room 305  
Tuition: FREE (*Registration is required*)  
Instructor: Reese Hughes, Halliday Financial

As you approach retirement, when to claim your Social Security retirement benefit is one of the biggest financial decisions you'll need to make. Should you begin receiving benefits at your full retirement age or should you take it as soon as possible? In this course, we will summarize the benefits and drawbacks of taking social security at each age as well as the factors to help you make a decision.

▶ **Wilderness Survival 101**

Session 1: January 7 and 14  
(2 Tuesday evenings)  
Session 2: April 1 and 8  
(2 Tuesday evenings)  
Time: 6:30p.m.-8:30p.m.  
Location: High School Library Lab  
Tuition: \$35  
Instructor: Fred McCagg, NYS Licensed Guide, Owner of "Dynamic Sport Adventures"

This course is designed to be an introduction to the fundamentals of survival. It is a great way for beginners who are not yet comfortable with the idea of an overnight to begin learning about the backcountry and how to deal with wilderness emergencies. It's also a great way for even experienced outdoors people to learn or refresh important fundamental skills.

The focus of this program is a "modern" one with an emphasis on basic skills, equipment, and preparedness with the expectation of rescue within 72 hours. You will learn about the Seven Priorities of Survival (survival psychology, wilderness first aid, shelter, fire, signal, water, and food), Rules of three, the 5 W's and more.

▶ **Zumba**

ZUMBA GOLD! All ages and fitness levels are welcome as there is NO DANCE EXPERIENCE required! Choreography is easy-to-follow and the class focuses on all elements of fitness: cardiovascular, muscular conditioning, flexibility and balance. Come ready to have FUN meeting new people, sweating and smiling... all in a no-judgment zone! Wear loose-fitting comfortable clothing, sneakers (not a lot of tread).

### ► Dog Obedience Puppy/Beginner

Session 1: October 1 (6 Tuesday evenings)  
 Session 2: November 12 (6 Tuesday evenings)  
 Session 3: January 14 (6 Tuesday evenings)  
 Session 4: March 11 (6 Tuesday evenings)  
 Session 5: May 6 (6 Tuesday evenings)  
 Time: 6:00p.m.-7:00p.m.  
 Location: High School Bus Foyer  
 Tuition: \$150  
 Instructor: Debra Perks\*

In this class the focus is on building a foundation for basic pet obedience. Puppies will learn how to walk nice on the leash and pay attention to his/her owner. Puppies will work on sit, down and recall on command. Handlers will be introduced to a balanced method of training using imprinting, food and toy rewards, and praise as well as fair effective correction. This class is for puppies from 8 weeks to one year old. Bring a six foot leash, a long line (15 to 25 foot), training treats and a toy to class. All breeds are welcome.

### ► Dog Obedience Intermediate/Advanced

Session 1: October 1 (6 Tuesday evenings)  
 Session 2: November 12 (6 Tuesday evenings)  
 Session 3: January 14 (6 Tuesday evenings)  
 Session 4: March 11 (6 Tuesday evenings)  
 Session 5: May 6 (6 Tuesday evenings)  
 Time: 7:00p.m.-8:00p.m.  
 Location: High School Bus Foyer  
 Tuition: \$150  
 Instructor: Debra Perks\*

The puppy/beginner class is a prerequisite for this class. In this class the focus is on building on the foundation from the beginner class. The class works on off-leash heeling, solid down stays, sit stays and consistent recalls. Bring a 4 to 6 foot leash, a long line, a training collar, a toy and training treats.

*\*Debra Perks, the instructor for both courses, trains and competes German Shepherd dogs in the sport of IPO (Schutzhund) at local, regional and national level events. Additionally, Deb is an AKC Canine Good Citizen instructor and evaluator and can help you prepare your dog for the CGC certification. Phone (518)755-4147 or email [vorteil.kennel@gmail.com](mailto:vorteil.kennel@gmail.com) if you have questions.*

 Tuition: \$40  
 Instructor: Vincent Carucci

We are looking for members of the community for the Fall/Spring sessions. This Co-Ed Basketball offering is set up to provide individuals with fun and competitive basketball at an intermediate level. Please bring your own drinks and basketball shoes. Players must be over 17+. Any questions please email Vincent Carucci [vincentcarucci84@gmail.com](mailto:vincentcarucci84@gmail.com)

### ► Wilderness Navigation & Backcountry Safety

Session 1: October 1 and 8  
 (2 Tuesday evenings)  
 Session 2: May 6 and 13  
 (2 Tuesday evenings)  
 Time: 6:30p.m.-8:30p.m.  
 Location: High School Library Lab  
 Tuition: \$35  
 Optional Hike Date: TBD  
 Hike Tuition: \$5 to be paid to the instructor  
 Instructor: Fred McCagg, NYS Licensed Guide,  
 Owner of "Dynamic Sport Adventures"

Hiking is a wonderful hobby and good exercise as well as a great way to get in touch with nature! Let us teach you how to do it right! The art of "staying found" requires little more than a good map and compass, and the know-how to use them properly. Today's topographic maps are the best available, and magnetic compass models are well-designed for the modern navigator. Learning to use a compass and map together are fundamental skills each outdoorsman and woman should have. This contributes to your safety afield, and also to your success. This class offers an introduction to learning these skills, with classroom and in the field hands-on learning. All classroom materials are provided. Our optional hike will be at Cherry Plain State Park. The hike is about 2 hours of easy scenic hiking. You will see two waterfalls, one on the trail and the other that you will use your new skills to find!

#### ► **Wildlife Track & Sign – Mindfulness in Nature**

Date: Choose one Saturday: December 14, January 18, February 15, March 1, March 8 or March 15  
 Time: 10:00a.m.-1:00p.m.  
 High School Library Lab  
 Tuition: \$35  
 Instructor: Fred McCagg, NYS Licensed Guide

This class is a unique and immersive experience that combines two powerful practices: wildlife tracking and mindfulness in nature. It's designed to deepen your connection with the natural world and help you develop a deeper appreciation for the plants and animals that share our planet. You will learn: how to read and interpret animal tracks and signs (such as footprints, scat, and other indicators of animal presence); about animal behavior and habitats; and how to identify different species based on the tracks they leave behind.

The mindfulness practices will help you become more present and focused in nature. You will learn techniques to quiet your mind and tune in to the sights, sounds, and sensations around you. You'll cultivate a deeper sense of connection to the natural world and promote a sense of inner peace and calm.

Whether you are a seasoned naturalist or a curious beginner, this class is suitable for anyone who wants to deepen their understanding of the natural world and develop a deeper sense of connection with nature. By the end of the class, you'll leave with a renewed sense of awe and wonder for the beauty and complexity of the natural world, as well as a deeper appreciation for the importance of conservation and stewardship.

*Fred McCagg holds a Level III International certification in Wildlife Track & Sign with Cybertracker and CyberTracker Certifications in North America, as well as being a NYS DEC Licensed Guide.*
